Election of Officers

The Board of Directors needs to elect Executive Committee Members to serve from October 1, 2012 to September 30, 2014. Veronica Flournoy and Mike Brusa's term on the Executive Committee ended on September 30, 2012.

Rory Livingston moved and Diana Palmer seconded to elect Veronica Flournoy and Mike Brusa as Executive Committee Members. Motion carried.

Response to MCSIG's Summary regarding Feasibility Study

The Monterey Educational Risk Management Authority Executive Committee would like to respond to MCSIG. There are a few things that they felt are needed to go on the record.

The Executive Committee is disappointed in the results of the Feasibility Study. They feel that the kind of things they were looking for were not addressed in the report. The whole study seemed to slant to the view that MCSIG never embraced the idea of it from the very beginning. The Executive Committee stated the RFP was put out by MCSIG and entered into contract with MCSIG when all along it should have been a joint effort. The Workers' Compensation JPA wanted to be a part of the whole contract process. The Executive Committee wanted the consultant to look at other models of JPA's similar to what they were trying to do. This was never addressed in the study. The Executive Committee feels it needs to be put on the record and said very clearly that it was the Executive Director of MCSIG that brought the proposal initially forward that we can do this, outside of her contract. The main issue was that she proposed it with conditions that were extremely beneficial for her as an individual and once it became not beneficial in another sense, she was not going to go for it. That was the critical piece of all of this. The Executive Committee should identify the areas of disappointment where we disagreed and what we think was not adequately addressed in the study. The Executive Committee will ask to be put on the MCSIG Full Board Agenda to formally present concerns.

Claims Department – Workers' Compensation Reform

Discussion held regarding the Workers' Compensation Reform that goes into effect January 1, 2013. Veronica Makaveckas stated she received a lot of information regarding the reform changes that are coming up next year. She discussed the areas that will impact the JPA financially.

The Board of Directors broke for lunch at 12:04 p.m.

Reconvened from lunch at 12:41 p.m.

Loss Control

Matching Safety Fund

Gary Metzler stated some districts still are not utilizing their funds. He is at a loss as to why as he has emphasized the availability of these funds. Just about anything that will improve the safety program of a district is allowed for safety funds as well as safety training certification. Jerry Stratton stated his district was able to purchase items that they normally would not have been able to, using the Matching Safety Funds. He stated those funds are really good. Discussion held.

Claims Data FY 11/12

Discussion regarding the 5 highest incurred claims, 5 leading causes of injury, 5 most common nature of injury, 5 most common body parts injured, lost time injuries, open and closed claims and medical only and indemnity claims for the total JPA.

Claims Overview

Discussion held regarding available resources the JPA Loss Control offers to districts to help reduce their losses and what can be done to encourage all district employers to take more control of their safety programs and loss control efforts.

Adjournment

Melody Canady moved and Veronica Flournoy seconded to adjourn the meeting.

Sara Perez adjourned the meeting at 2:02 p.m.

2013/2014 EXCESS WORKERS' COMPENSATION INSURANCE RENEWAL

ACTION ITEM

ITEM: Annually, Matt Gowan, MERMA's Broker from Alliant Insurance Services, Inc. reviews the current Excess Workers' Compensation program to determine if improvements can be made as respects limits, coverage, premium and plans. Matt will review with the Board of Directors, the proposals received from the insurance market as a result of marketing the program this year.

RECOMMENDATION: The Executive Committee reviewed the options at their May 23th meeting and is recommending joining CSAC EIA JPA attaching at a \$125,000 SIR as the combined contributions and excess premiums are less than the current provider is offering excess coverage at a \$400,000 attachment.

Board of Directors should approve review and discuss and approve the 2013/14 Workers' Compensation insurance program.

FISCAL IMPACT: The combined contributions including funding the Self Insured Retention and the Excess Workers' Compensation premium is a \$458,990 decrease from Starr (current provider). Overall the total contributions have increase due to a \$1,732,000 Surplus offset the Board approved to apply to the 2012/13 contributions.

BACKGROUND: Alliant has placed MERMA's Excess Workers' Compensation coverage for over 10 years. Currently MERMA purchases \$50,000,000 in limits excess of a \$400,000 SIR from US Specialty.

**APPROVAL OF MERMA RESOLUTION #1
JOINING CSAC EIA FOR EXCESS WORKERS' COMPENSATION**

ACTION ITEM

ISSUE: The MERMA Board of Directors should review and approve the Resolution #1 attached to join CSAC EIA JPA for Excess Workers' Compensation Coverage. The Board should also select a Board member to represent MERMA on the CSAC EIA Board of Directors.

RECOMMENDATION: The JPA Administrator and Executive Committee is recommending joining CSAC EIA for Excess Workers' Compensation coverage (and currently attaching at a \$125,000 SIR) and approving this resolution.

FISCAL IMPACT: None.

BACKGROUND: CSAC EIA is a Joint Powers Authority providing coverage to public entities in California. In order to become a member of CSAC EIA, the member must execute a resolution to be on file with CSAC EIA.

FISCAL YEAR 2013-2014 BUDGET

ACTION ITEM

ISSUE: Annually, the Board of Directors approves and adopts the fiscal year budget. Susan Adams from Alliant will review this Budget with the Board of Directors. The budget has been created at the Executive Committee's recommendation of lowering MERMA's Self Insured Retention (SIR) from the current level, \$400,000 down to \$125,000.

RECOMMENDATION: The Pool Consultant recommends approval of the budget subject the any changes or recommendations of the Board of Directors.

FISCAL IMPACT: The FY2013/14 budget has increased from 2012/13 from \$58,123 to (\$154,075) or \$212,198. This is due primarily to Total Claims Expense which has increased \$588,647 from the prior budget. Line item 5810-2 – Change in claims liabilities has increased \$906,613 based on the current actuarial report.

BACKGROUND: Annually MERMA's accountant works assists in creating the budget for MERMA and it's members that includes the assessments as determined by the Actuary. The budget was reviewed one final time on June 4th with the accountant to finalize.

MATCHING SAFETY FUNDS UPDATE

INFORMATON ITEM

ISSUE: This is an informational staff report regarding the MERMA Matching Safety Funds Program for FY 12/13.

RECOMMENDATION: It is recommended that all MERMA members take advantage of the Matching Safety Funds Program.

FISCAL IMPACT: Members that do not use their allocation will lose the funding allocation for FY 12/13 – unused funds do not carry over into following fiscal year.

BACKGROUND: The MERMA Executive Committee authorized continued funding of the MERMA Matching Safety Funds Program for FY 12/13 in the amount of \$64,000.00. The eight small districts are allocated \$500. Each large district is allocated \$500 plus a percentage of the fund balance based on payroll size. Matching is done on a dollar for dollar basis – i.e., an expenditure of \$1,000.00 would be eligible for \$500.00 in matching funds.

It is very easy to use the Matching Safety Funds Program:

1. **Identify** an appropriate expenditure for funding. Ergonomic furniture or accessories, facility security equipment, facility/grounds repair/improvement to eliminate hazards, personal protective gear, and employee safety training/certification are examples of appropriate requests. It is also suggested that members consolidate their requests to cover their available total allocation; this will help reduce administrative costs and processing time. Please note that requests must relate to employee safety issues and that the funds cannot be used for subvention of employee salaries.
2. **Complete** Section 1 of the FY 12/13 Request Form with a brief explanation of what the funds will be used for with supporting invoices, paid warrants or receipts – the MERMA Board Member must sign and date the request form.
3. **Submit** the completed form to MERMA with receipts or invoices that verify the expenditure. Upon MERMA administrative approval, a warrant will be issued on a dollar for dollar basis.
